ROCKY RIVER FINANCES - 1990 THROUGH 2006 (A REQUEST – FOR PUBLIC INFORMATION)

In Re: A Request for Rocky River, Ohio Public Information

Mr. Brian Hagan,

It's time for a 'public discussion' about Rocky River city government's spending and income.

It is Rocky River Taxpayer's money we are talking about.

Below is my request for public information from Rocky River City Government - about 'Rocky River Finances from 1990 through 2006.'

Pursuant to Ohio Revised Code 149.43 (B), I, Fred I. Sokol, respectfully request - 'citizen readable financial records' - of Rocky River, Ohio, County of Cuyahoga city government - that accounts for every penny: (1.) That Rocky River city government received and the names of who gave the money and (2.) What Rocky River city government spent and the names of who received the money - from fiscal year 1990 through fiscal year 2006.

I understand Rocky River city council controls the 'purse strings' for Rocky River city government.

That said. Rocky River city council should know about all the money that has been collected – and all the money that has been spent - by Rocky River city government - from 1990 through 2006.

In closing, I realize '.6 BILLION DOLLARS' OR (\$610,263,582.99) HAS SHOWED IN THE CITY OF ROCKY RIVER'S 'PROPOSED SPENDING BUDGETS' FROM 1990 THROUGH 2006. It appears to me a ponderous amount of said requested financial information - to gather for my viewing!

So, please contact me at my phone: 440-521-5452 to advise me in advance - on how the city government of Rocky River would like me to view my requested said information.

Thank You.
