Fred Sokol calls Meeting with Rocky River city government!

Mr. Brian Hagan,

I am calling a 'special meeting' between you and I.

So you can tell me when I'll receive the 'financial public records' I requested from Rocky River city government. About Rocky River city government's spending and income of Rocky River taxpayers' money from 1990 to 2006.

WHY AM I ASKING YOU?

- You're President of Rocky River city council.
- Council 'controls the purse strings' – and knows the money collected and money spent – by Rocky River city government from 1990 to 2006.
- You can tell me what they know.

WHEN DO WE MEET?

- Preferably at any time soon.

WHO ATTENDS MEETING?

- You're welcome to bring others with you to the meeting. If you do, I will bring others to the meeting as well.
- If a quorum of city council members attend. You will have to record meeting due to State of Ohio 'Sunshine Laws'.

WHERE SHOULD WE MEET?

- Hold 'said meeting' at a location of your choice. I suggest, at Rocky River city hall.

WHAT WILL I DO WITH - SAID REQUESTED INFORMATION – ONCE I RECEIVE IT.

- I will share my information with Rocky River Taxpayers – such as.
- Full accounting of every penny spent of taxpayer's money by Rocky River city government from 1990 through 2006.
- Full accounting of all city government employees hired. Their total salaries, total fringe benefits and why were they hired.
